Cooking

June 11 - 15

Tick Tock Around the Clock!

This week campers will learn to cook for your family any time of day. We'll explore recipes for breakfast, lunch, dinner, and dessert. By the end of the week, campers will no longer wonder "what's for dinner?" or any time in between!

Music

June 18 - 22

Shake, rattle & roll during music camp this week. During a portion of the day, elementary campers will focus on fundamentals in piano and voice. Preschool campers will experiment with various percussion instruments and learn songs throughout the week. Aspiring musicians of all ages will surely be inspired during this camp of musical fun.

Dinosaur Dig!

June 25 - 29

During this week of discovery, campers will learn about giants of the past. Students will become paleontologists and uncover mysteries of prehistoric beasts big and small. Campers will participate in hands-on activities, a dinosaur dig and lots more. Don't miss this camp before time!

Drama

July 9 - 13

Do you know someone who loves to be center stage? Then Drama Camp is the place to be this summer. This week campers will be producing a full blown musical called "David and the Giant" using costumes, props, songs, and choreography. Parents are invited to enjoy the performance on Friday. Because we will create sets and have rehearsals all week, Drama Camp is only offered M - F for both elementary and preschool campers. Join us on the red carpet for this fun-filled week of drama and music.

Super Sleuths

July 16 - 20

Campers will be greeted each day with a new mystery to solve during this week of code breaking and adventure. During their "investigation" children will become detectives while following clues, playing games and learning to work together to solve the mystery. Elementary campers will even try their hand at writing their own detective story!

Art I & Art II

July 23 - 27

August 13 - 17

Spark the creativity of young artists during both of these enriching camps where campers will explore different mediums and techniques sure to set free the emerging artist inside. Be sure to drop in at the end of the week when students will display their artwork at our "Art Show."

Grossology

July 30 - August 3

During this week of ooey, gooey, slimy science campers will become experts in all things gross. All of their senses will be engaged throughout this week of discovery. Our science lab will transform each child into true Grossologists. This camp is perfect for children who appreciate the messier side of life.

Get Moving!

August 6 - 10

Get Moving! during this fun-filled week of sports skills camp. Join the **Starz Program** as we focus on a new sport each day! This camp is perfect for children who want to gain sports skills and build athletic ability. This high-energy class is sure to instill a love of sports and fitness in children of all ages!
