

DG DISCUSSION GUIDE

Galatians 3:15-29

1. When did the law come (compared to God's covenant with Abraham)? Why is this important for Paul's argument to the Galatians?
2. Read verses 19-24. What terms/images does Paul use to describe the law and its effect on people? What was the purpose of the law?
3. When are you most tempted to depend on your own efforts to make yourself acceptable to God?
4. Paul makes the point of taking the listeners back to their baptisms (3:26). Why is it important to remember your baptism? Share your baptism story with your group.
5. Paul makes the point that when it comes to being adopted into God's family, our race, gender, and life station make no difference (3:28). How do we struggle with that today?
